

Setting Up a Smart Response Class

Wilmette Public Schools District 39 QuickStart Guide

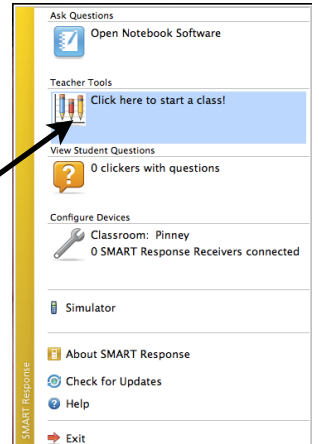

1. Add Smart Response to your menu bar 

Double Click Macintosh HD
Double Click Applications
Double Click Smart Response Folder
Double Click Desktop Menu

Will be added to the desktop menu bar

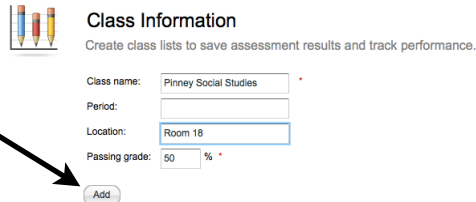

2. Click  from the menu bar click here to start a class.

3. Click **Add a Class**

4. Type class information and click **Add**

Class Information
Create class lists to save assessment results and track performance.

Class name:

Period:

Location:

Passing grade: %

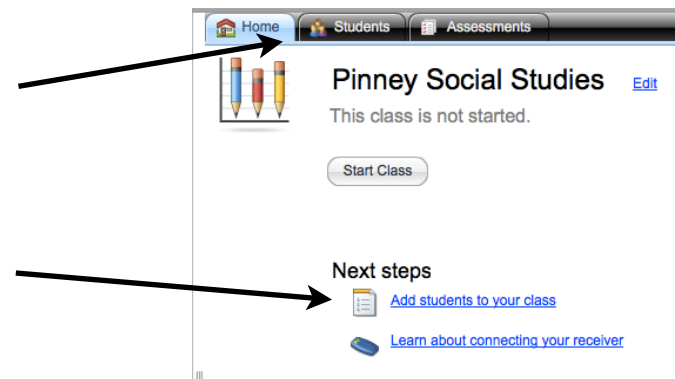

5. Once the class is created, you are ready to add students.

Students will need to be assigned an ID number. Their **Powerschool** number is a good choice.

6. You may manually add students using the Students Tab

OR

7. You may import data from a Comma Separated Values (CVS) document

8. Once students have been added, you are ready to create quizzes and begin using the Smart Response Clickers.
